

Ultimate Team Builder

BUILD THE BEST TEAM! IN DEPTH ANALYZER

Choose from all 721 Pokémon including Megas and alternate forms to build your ultimate team!

Type analyzer exposes weaknesses while strategy analyzer exposes common threats that can outperform your team.

Build the most balanced team to suit your playstyle.

- Detailed type chart displays damage modifiers and Pokémon quantity
- Types highlight color changes to indicate areas of strength and concern
- Checks team's stats and type matchups against all Pokémon to produce an offensive threat list and potential wall list

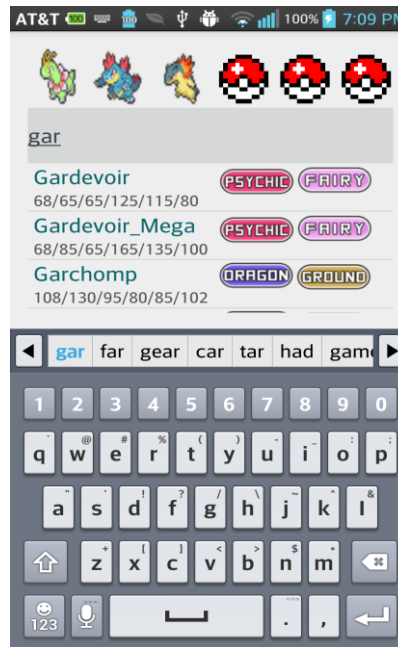

This could be you!
